Where a complaint arises, we will endeavour to resolve the matter **by no later than the close of business the third working day following receipt**. Sometimes this may not be possible as we strive to investigate all complaints as thoroughly as possible. If your complaint cannot be resolved with 3 working days, to enable us to remedy the situation in a speedy and efficient manner, we have a documented, formal complaints procedure, details of which are below:

- 1) We will acknowledge your complaint promptly, to reassure you that we will be dealing with the issue as a matter of urgency, giving you the details of who will be handling the matter in our office, and details of the service of the Financial Ombudsman Service, where this applies.
- 2) In the event that your complaint relates to activities or services provided by another party, for example your insurer or finance provider, we will advise you of this in writing giving the reasons for our decision. We'll also ensure that your complaint is promptly forwarded to the appropriate party, in writing.
- 3) We will aim to make our final response to you as soon as possible and with 8 weeks of receipt of your complaint. If we're unable to make a final response in writing within 8 weeks, we will write to you explaining why and provide a timeline in which we expect to have matters resolved.

- 4) If you remain dissatisfied with our response or any further delay at this time, you will have a period of Six months from the final response date in which you can refer the matter to the Financial Ombudsman Service, whose details are shown at the end of this document.

When we provide our final response letter, we will endeavour to ensure that we have taken into consideration any financial losses or material inconvenience you may have suffered. If we feel that we cannot uphold your complaint, we will advise you of the reasons for our decision and we will also advise how you may pursue the complaint if you remain dissatisfied.
